Hi Tristen,

I was proposing Thursday March 12th for a site visit, does 1pm work for you and your team?

Looping in Gerald Watson who will help us determine the best location for a permanent clean out at Westchester Park. Additionally we will have our trailer there for the site visits to ensure we right the right fit.

Kindest,
Jasmin

Happy to meet with you all, but I am not available Wednesday afternoon. But, can you please advise why there has been no trailers Tuesdays and Wednesdays? I am just trying to comprehend why services abruptly stopped. Referring back to Jasmin's initial response, I am guessing that dumping into the drain is an issue that is currently occurring, which is why we are proposing a meeting for permanent drains. The services has been successful here and Matt approved going forward with this!

Thanks!

Hi Tristen,

Thank you for following up. We are planning to provide a clean out drain at the park. Would you have time next week to do a site visit and map out a couple potential locations for the drain?

We will provide service at the park next Thursday with a vector truck in the interim.

Kindest,
Jasmin

Hi All,

I hope you are well. I was just writing to inquire why the CARE showers been around lately? We have a large unhoused population in the park that can use these resources.

Thanks.

Best,
Tristen
